An exciting volunteer opportunity for 2018-2019 in the Emergency Department at Nationwide Children’s Hospital

The Emergency Department (ED) at Nationwide Children’s Hospital is looking for outgoing and energetic undergraduates to help screen and enroll patients as part of our research initiatives. As a member of the nationwide research consortium PECARN (Pediatric Emergency Care Applied Research Network), we are committed to excellence in research. As a volunteer with the ED Research Team, you will have the opportunity to experience the fast-paced environment of one of the busiest Emergency Departments in the country and interact with multiple healthcare team members.

Program Description:
The Undergraduate Research Assistant will:

- Assist the research staff in the ED by screening and enrolling patients in multiple research studies
- Perform administrative duties such as data entry, making copies, refilling enrollment packets, and restocking supplies
- Learn about multiple aspects of pediatric emergency care through observation and interaction with all members of the patient care team

Requirements:

- Currently enrolled in an undergraduate program with an Educational Affiliation Agreement
- Possess an overall Grade Point Average ≥ 3.20
- Interested in pursuing a career in healthcare
- Ability to volunteer evenings/weekends
  - A commitment of 1 school year starting August 2018
- A commitment of two-3 hour shifts per week for a total of 6 hours
  - **Shifts are available Sunday-Saturday between 9am and 12am**
  - **Students complete schedule requests for preferred shifts and then have the ability to adjust shifts throughout the semester with an online scheduling calendar**
- Attendance is mandatory at the August Orientation on Sunday, August 19th, 2018.
- Applicants must be able to see, hear, stand, walk, speak, read, perform manual tasks, and be able to independently lift up to 25 lbs.

Application Process:

Complete the online application available at the following link by 11:59pm, Friday April 13th, 2018: [https://goo.gl/amyfcP](https://goo.gl/amyfcP)

The sections of the application are as follows:

I. Personal Information
II. Short Responses
III. Resume (with 3 professional or academic references including their current contact information)
